| | | 6:00 | Closing of the congress
and Farewell-Cocktail |
| | | 7:30 | End of the day |

Dear colleagues,

*after many years of work in the
field of bone ring technique
we would like to invite you
to a congress where on the scientific
and clinically evaluation the bone ring
technique as an alternative
should be discussed.*

We hope this will open new horizons.

Bernhard Giesenhagen & Orcan Yüksel
